

VINO E BIRRE

IT'S ITALIA

The essential compliment to a
delicious dish is a delightful glass of wine.

The wine should enhance the flavors
of the food, inspire great conversation,
and help us enjoy the moment, really
live in the moment...tingling our
taste buds while tickling our hearts!

After many visits to Italy, especially to
the country towns where one breathes
in life like the irresistible aroma of fresh
baked bread wafting out of the town's
bakery in the morning, I've decided
that we Americans move too fast
and miss too much.

"Ambition is a disease,"
says my friend Federico
from Montepulciano,
as we sip our Vin Santo
and dip our biscotti,
"and I don't want to catch it!"

So please relax and enjoy these wines,
all of which have been personally tasted
and selected; each of which is offered with
a wish that you might taste the richness
of life's moments in every glass...

Salute!
